

# 7. Connecting With God

## Connecting With God

This is the biggest strength of all! Whilst our emotions/feelings are important for our well being and health, we are to be dependent on God for all we need.

As we prepare to move to another culture, and as we adapt and then thrive in it, we must never neglect our relationship with God, who is our shepherd, rock, fortress, deliverer, strength and so much more!

- God is our strength in weakness - being weak is not a problem, being self reliant is.
- Learn to surrender - in the end it is not about you or your feelings or success - it is about God and being reliant on him.
- Make sure your worth comes from God not your success and achievements.
- Your identity is a new creation in Christ - this is to give you all the affirmation and security you need.
- Define success as obedience to God
- Have faith in God for your well being - he has called you and he will give you everything you need

## Take Time to Reflect

- 1) How is your relationship with God today?
- 2) What can you do to strengthen this as you prepare to move?
